STUDENTS CHOOSING THE REMOTE LEARNING OPTION DUE TO CONCERNS RELATED TO COVID-19 ARE REQUIRED TO HAVE A SIGNED REMOTE LEARNING PLEDGE ON FILE.

Students may return to traditional, in-person learning after the completion of each 9-weeks grading period. Arrangements for the transition back into the traditional classroom after the first nine weeks should be made with your school's principal no later than 10:00 a.m. on Friday, October 23rd.

REMOTE OFF-CAMPUS LEARNING REMINDERS

- Reliable home internet is a NECESSITY in order to connect with instructors for learning.
- Most learning takes place at home, so consistency and student dedication are VERY IMPORTANT.
- Though limited, some assessments and activities will require students to report to campus.
- Students are expected to log in for LIVE instruction during scheduled times from their teacher. Any exceptions must be arranged with your student's teacher(s) in advance.
- Attendance is required and will be monitored on a daily basis.
- Your family will be assigned a Student Success Team member to assist with any needs or concerns.

I acknowledge that I have read and understand the Remote Learning Pledge and agree to support my student's participation in the remote learning option for 2020-2021 educational services. I understand that I can discuss any needs or concerns with my student's teacher or Student Success Team member.
