

Colbert Heights High School Improvement Plan

Colbert Heights High School

Vision

One team... One goal... Our legacy!!

Mission

To empower students to acquire the knowledge and abilities necessary for a changing world.

Beliefs

The district believes that stakeholder involvement, collaborative and leadership skills are essential. The district believes that students will be provided with a challenging curriculum.

STEAM Learning Experience

Objectives

- Provide students with STEAM opportunities across the school district.

Critical Initiatives

- We will increase student knowledge of new technology resources through STEAM opportunities.
- We will provide Fine Arts opportunities through classroom and extracurricular events.
- We will provide college and career resources related to STEAM opportunities.

Student Attendance

Objectives

- Promote positive daily attendance while implementing District Wide Attendance Policy.

Critical Initiatives

- We will increase student daily attendance percentages.
- We will decrease student tardies.

Supportive Environments

Objectives

- Provide students with a safe and healthy learning environment.

Critical Initiatives

- We will increase staff knowledge of mental health issues among student populations.
- We will increase campus security through enhanced camera and door technology.
- We will have a campus-wide discipline plan to enhance building security.

Stakeholder Engagement

Objectives

- Provide family and community engagement opportunities to encourage active partnerships with schools.

Critical Initiatives

- We will increase student opportunities through field trips, guest speakers, and community involvement.
- We will increase parental support through various events and times to accommodate more stakeholders.
- We will increase community partnerships with local businesses

Student Achievement

Objectives

- Provide students with a high-quality education that supports student's achievement.

Critical Initiatives

- Students will increase academic achievement with the use of programs and initiatives.
- We will provide students with opportunities to experience real-world situations related to book studies, state celebrations, and state government activities.
- We will provide high stakes testing
